## ABOUT ME

---

Final-year student pursuing a major in Information Systems at Airlangga University. Proficient in web development, android application development, and machine learning. A motivated individual passionate about leveraging technology to address real-world challenges and dedicated to continuous learning and implementation of innovative solutions.

## WORK EXPERIENCE

---

### IT Developer Intern

PT United Tractors Tbk

Jakarta, Indonesia

Aug 2023 – Dec 2023

- Selected as an IT Developer Intern for MSIB Batch 5 at United Tractors from among 11.582 registered applicants (2% acceptance rate)
- Developed a web-based asset tracking system for United Tractors' CHCU Division using the Laravel Framework, resulting in effective asset management processes.
- Integrated PEST testing framework to ensure robustness and reliability of the system. Conducted comprehensive testing to guarantee accurate functionality and data integrity

### Web Developer Intern

PT PLN (Persero)

Surabaya, Indonesia

Jan 2023 – Apr 2023

- Developed a web-based assessment platform for PLN UID Jawa Timur using Laravel framework and Tailwind CSS, resulting in a more efficient and effective assessment process for over 2000 employees.
- Ensured the scalability of the platform by optimizing resource utilization and implementing best practices, resulting in a system that can handle a large number of users while maintaining optimal performance.
- Collaborate with stakeholders and other developers to gather requirements and continuously improve the platform to meet the evolving needs of the organization.

### Android Developer

BPMPK, Kemdikbudristek RI

Semarang, Indonesia

Jul 2021 – Dec 2021

- Successfully developed android applications utilizing C# programming language and Unity software
- Working in collaboration with the drafting team and material reviewers to ensure the highest level of quality and accuracy in the final product.
- Troubleshoot and debugged issues that arose during the development process to ensure smooth operation and functionality of the applications.

## EDUCATION

---
